DAYTIME ADVERTISING

VELOTAXIS CAN BE USED FLEXIBLY. UNIQUE IN MECHELEN

2	30-50	ca. 5,000
Bikes	Hours/week	Contacts/day/bike

Book an environmentally friendly advertising medium that combines high appeal and attention-grabbing values with great flexibility. Velotaxi not only takes the advertising directly to the target group, it also drives the target group itself. This is where our drivers come into play. As charming, local guides in your city, they are the ideal promoters for new messages.

TRANSPORTING GOODS

We are also your environmentally friendly service provider for transporting goods with zero emissions.

BRING is the cargo bike for transporting goods the first and last mile to the trade fair or your congress.

In combination with our Velotaxis, your visit to Mechelen becomes a special and sustainable experience.

An environmentally friendly advertising medium with additional benefits, because our BRING offers a payload of **up to 330 kg** with a **load volume of 1.5 m³**, with real power, purely electric and therefore emission-free, an additional plus.
